

## Pedestrian crossing behavior and their safety survey.

This survey is being done, as part of Dissertation, to understand the crossing behavior of pedestrians and their safety in various traffic conditions.

Please put a '✓' mark against your choice.

1 Age	<input type="text"/>
2 Gender	<input type="text"/> Male <input type="text"/> Female
3 How do you feel when you are about to cross a road ALONE without signal?	<input type="text"/> Very alert <input type="text"/> Alert <input type="text"/> Normal
4 For the same road, how do you feel to cross in GROUP?	<input type="text"/> Very alert <input type="text"/> Alert <input type="text"/> Normal
5 What criteria tend you to make decision to cross a road without signals?	<input type="text"/> Speed of the approaching vehicle <input type="text"/> Distance of the approaching vehicle <input type="text"/> Vehicle type (Whether approaching vehicle is car, 2w, 3w or bus) <input type="text"/> Person who is already crossing <input type="text"/> Others
6 Do you get confused while judging the gap in crossing road without signal?	<input type="text"/> Always <input type="text"/> Most of the times <input type="text"/> Sometimes <input type="text"/> Never
7 Have you ever misjudged the gap while crossing and faced an accidental situation?	<input type="text"/> Once or twice some minor accidents <input type="text"/> Most of the times, but minor accidents only <input type="text"/> Once, a serious accident <input type="text"/> Serious accidents have occurred to me more than once <input type="text"/> Was about to collide, but saved once or twice <input type="text"/> Was about to collide most of the times <input type="text"/> Never happened any accidents
8 Imagine that you are waiting to cross a road without signal but the vehicles are moving slowly because of heavy traffic. How will you cross the road?	<input type="text"/> By crossing between vehicles which gives suitable gap for me to cross, even if they are moving <input type="text"/> By hand signaling the vehicles to stop and then cross <input type="text"/> Will wait at sidewalk till the vehicle stops to give way for crossing
For the question below, please put a '✓' to represent the level of safety you feel about each choice	

9 While you are crossing, what factors do you think creates the most unsafe condition?	No signal and markings	<input type="checkbox"/> Least unsafe <input type="checkbox"/> Moderate <input type="checkbox"/> Highly unsafe
	Less priority given by drivers for pedestrians	<input type="checkbox"/> Least unsafe <input type="checkbox"/> Moderate <input type="checkbox"/> Highly unsafe
		<input type="checkbox"/> Least unsafe <input type="checkbox"/> Moderate <input type="checkbox"/> Highly unsafe
		<input type="checkbox"/> Least unsafe <input type="checkbox"/> Moderate <input type="checkbox"/> Highly unsafe
	Raised median islands	<input type="checkbox"/> Least unsafe <input type="checkbox"/> Moderate <input type="checkbox"/> Highly unsafe
		<input type="checkbox"/> Least unsafe <input type="checkbox"/> Moderate <input type="checkbox"/> Highly unsafe
		<input type="checkbox"/> Least unsafe <input type="checkbox"/> Moderate <input type="checkbox"/> Highly unsafe
For the question below, please put a '✓' to represent your level of preference.		
10 Where do you prefer to cross road mostly?	At zebra crossings	<input type="checkbox"/> Least preferred <input type="checkbox"/> Moderate <input type="checkbox"/> Highly preferred
		<input type="checkbox"/> Least preferred <input type="checkbox"/> Moderate <input type="checkbox"/> Highly preferred
		<input type="checkbox"/> Least preferred <input type="checkbox"/> Moderate <input type="checkbox"/> Highly preferred
	Using foot over bridge	<input type="checkbox"/> Least preferred <input type="checkbox"/> Moderate <input type="checkbox"/> Highly preferred
		<input type="checkbox"/> Least preferred <input type="checkbox"/> Moderate <input type="checkbox"/> Highly preferred
		<input type="checkbox"/> Least preferred <input type="checkbox"/> Moderate <input type="checkbox"/> Highly preferred
